

Salisbury Area Chamber of Commerce
Member to Member Benefits

“GET CONNECTED”

Members can take advantage of discounts offered by member businesses to other members. To add your discount to our list, fill out the form below and enjoy the increased exposure.

The list of member to member benefits is updated quarterly and is listed in the Business Journal, on the Website and through other mailing that the Chamber does.

Your discount may be an ongoing offer, a discount on a single item or a one-time offer (with this choice, please provide a coupon to be given to the member). This should be an offer that is not available to non-members and will help strengthen your name with other Chamber Members.

Please feel free to contact the Chamber with questions: 410-749-0144.
