

# Salisbury City

For information, contact: Harry White, City of Salisbury  
Recycling Coordinator (410) 548-3177

## Curbside Recycling

*An easy and convenient way to recycle household waste!*

- A **FREE** service to all City of Salisbury residents who also utilize the City's once-a-week, curbside trash collection. Curbside recycling is collected on the same day as curbside trash collection.
- A **FREE, blue** recycling bin issued by the City of Salisbury is required. To get a **blue** bin delivered to your house, call the City of Salisbury Recycling Coordinator (Harry White) at **(410) 548-3177**.
- Place all recyclables into the **blue** bin, if additional bins are needed, call the recycling coordinator.
  - **Note:** If more than one bin is used, it is strongly recommended that recyclables are separated as much as possible.
- Recyclables will only be picked up from the curb.
  - **Note:** If you are elderly or handicapped and cannot place the recycling or trash on the curb, call the recycling coordinator to make other arrangements.
- Place recycling bins and trash receptacles on the curb, before 6:00 a.m., on your designated pick-up day.
- For public safety, recycling bins and trash receptacles must be removed from the street by **11:00 p.m.** the same day.
- For sanitary reasons, please rinse blue bins and other recycling containers weekly.
